COL Joseph “Joe” Hoecherl

1967 - 2018

COL Joe Hoecherl enlisted in the Army Reserve at 17, beginning his life-long military career. He transferred to active duty in 1986, and served as an enlisted Soldier for five years before training to become an Army helicopter pilot – qualified in the UH-1, OH-58A/C, CH-47D/F and AH-64D.

In 2016, he took over as the Apache Project Manager at the Program Executive Office for Aviation. During this time, in April 2017, he was diagnosed with Stage IV cancer. He continued to work full-time while fighting cancer until January 2018, when his cancer battle required much more of his time and energy. COL Hoecherl passed away on May 2, 2018, at age 51. He was laid to rest with full military honors at the Alabama National Cemetery in Montevallo, Alabama.

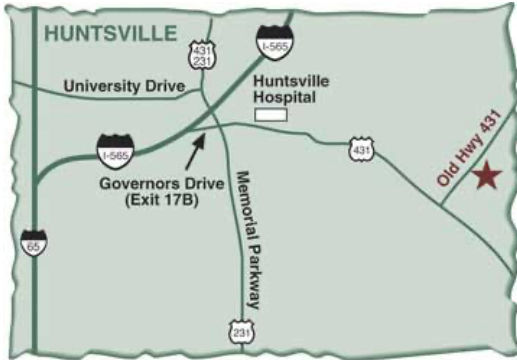

A follower of Christ to the end, Hoecherl was a servant leader with a strong work ethic and a listening ear. He served his family, friends, and all those he led and worked with and for in his Army career with a generous and kind heart and a strong moral compass. He made a lasting impact on the many lives he touched with his positive attitude, kindness, compassion and faith. He was a devoted and loving husband, father and grandfather, and he will be forever loved by those he left behind.

In honor of his memory, the Apache Project Office worked with the Tennessee Valley Chapter of AAAA to establish a Scholarship in his name.
